► NOTICE ◀

ON THE VALIDITY OF THE CERTIFICATE OF CONFORMITY

The certificate of conformity applies only to the tested and certified product within the scope of the normative document or decree and its specification mentioned above.

Unauthorized or misleading use of the certificate may result in its withdrawal.

The certification body shall require the holder of the certificate to keep a record of complaints and corrective actions concerning the certified product and to inform the certification body of these facts without delay.

Items subsequently produced are not covered by this certificate.
